

ATTENDANCE

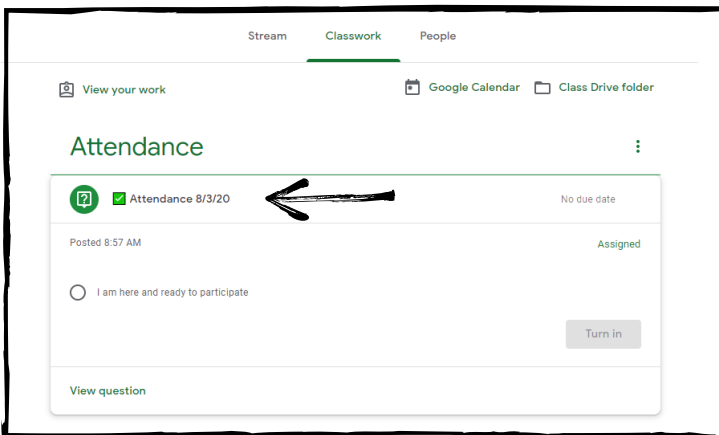

must be done by you, every day, every period

1

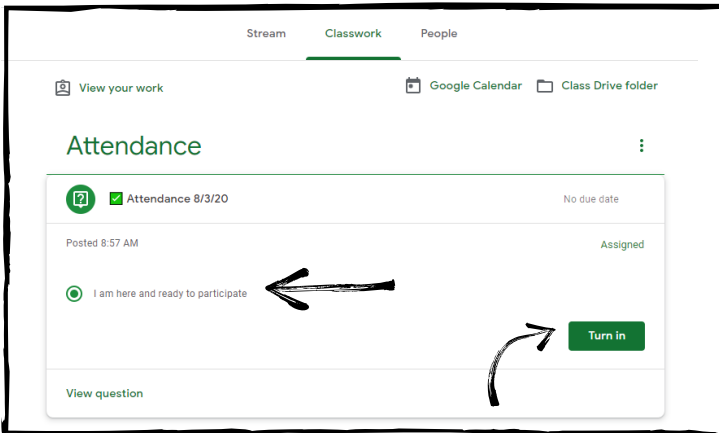

Find the daily attendance post in the classwork tab.

2

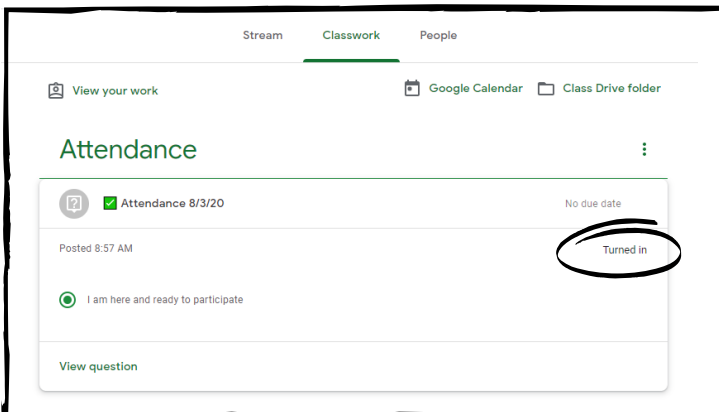

Click on the question so that it opens

3

Select the answer choice and click turn in

4

You'll know you were successful when the word "assigned" changes to "turned in"

Do this for **each period, every day, EVEN IF** you are a TA, Tutor, or assigned to Yuba College classes through LOHS. This means you do attendance **4 times each day**. Students with an unassigned period only do attendance 3 times each day.
